ISLAND CERTS

Island CERTS Corporation is locally owned but internationally known. We strive to exceed your expectations. As a HUD certified, woman-owned Guam company, we offer full NDT services, API 653 AST inspections, STI SP001 Tank Inspections, heavy equipment inspections and load testing, OSHA compliance inspections, International Code Council Structural Welding Special Inspector, and Structural Steel and Bolting Special Inspector. We are OSHA accredited for Maritime crane inspections per 29 CFR 1919, as well as NCCCO Construction crane inspections. We also provide DOT Cargo Tank inspections, and IM 101, IM 102, and DOT 51 Intermodal tanks. Island CERTS also provides IICL Sea Freight Container Inspections by certified inspectors. ICC also offers crane rentals with NCCCO certified crane operators and certified riggers, and Challenger Auto Lift Sales, installers, and lift inspections. In addition, we offer numerous OSHA compliance safety training classes.

WE OFFER
PEACE OF MIND.
